Subject: **Discussion of Community Survey on Marijuana**

Report in Brief

At the June 27 Council Meeting, the Council directed staff to proceed with the development of a community survey on marijuana regulations within the City of Concord. In order to assure that the survey elicits the information desired by the City Council, staff will be meeting with the PD&IO Committee to hear their feedback and learn what information they desire to obtain through the survey.

After obtaining this information from the Committee, staff will work with a professional survey firm to develop and run the survey. The survey results will be shared with the full Council and the public.
