
MEMORANDUM

August 26, 2014

TO: Members of the City Council
FROM: Tim Grayson, Mayor
SUBJECT: Contra Costa County Aviation Advisory Committee

RECOMMENDATION

Approve the recommendation for reappointment of Keith McMahon to continue to serve as the City of Concord's representative on the Contra Costa County Aviation Advisory Committee (CCCAAC) for another two-year term ending July 30, 2016. The CCCAAC is a County committee, therefore the County Board of Supervisors makes the formal appointment for the seat reserved for a Concord representative.

BACKGROUND AND JUSTIFICATION

The Aviation Advisory Committee is charged with advising and recommending to the Board of Supervisors on the general subject of aviation issues related to airports in Contra Costa County. The membership of twelve is comprised of five members each named by one of the five Supervisors, one members each from Concord and Pleasant Hill, one member from the Diablo Valley College, one member representing the Fixed Base Operators Association, one member representing the Airport Land Use Commission, one member representing property owners and tenants in the vicinity of Buchanan Field Airport, and one member representing residents, businesses, and users of the Byron Airport.

DISCUSSION

Keith McMahon is the past president and CEO of the Greater Concord Chamber of Commerce and remains actively involved in the community. During his service with the Chamber of Commerce, Mr. McMahon established a relationship with the business, residential, and special interest groups who have a specific interest in the future of the Buchanan Airport. The knowledge that he gained during that period will benefit him during his representation on this committee. A copy of his application is on file in the City Clerk's office.

cc: Keith McMahon, Committee member
