### **Concord's Historic Nunez House**

Built in the 1890s on the south side of Salvio Street between Grant and Colfax Streets, this home was adjacent to the Nunez family's saloon in the original Todos Santos Village. When that block was reconstructed during the late 1930s to accommodate the new Enea Theater, the Nunez house was moved to this location. The architecture of the house distinguishes it as the most prominent expression of the popular Queen Anne-style which still exists in Concord. The house is a private residence

Fiduciary Funds - Trust funds are used to account for assets held by the City as trustee or agent for other governmental units, private organizations or individuals. The financial activities of these funds are excluded from the City-wide financial statements, but are presented in separate Fiduciary financial statements. The City has one fiduciary fund.

City of Concord Retirement System Plan - The retirement system is a closed plan and is a single employer defined benefit pension plan covering all full-time employees of the City retired prior to June 28, 1999. The plan provides retirement and death benefits for general and police employees as well as disability benefits for police employees. General employees are eligible for retirement benefits at age 50, provided the employee has completed 20 years of service or has accumulated contributions in excess of \$500 and as was employed before June 30, 1990 or has completed 5 years of service and was terminated after July 1, 1991. Sworn police employees are eligible for retirement at age 50, provided the employee has completed 20 years of service or has accumulated contributions exceeding \$500. Retirement benefits are determined based on the employee's length of service, highest one-year compensation upon retirement, and age at retirement.
