

## Downtown Bank of America renovation

Concord's downtown Bank of America branch, at 2020 Willow Pass Road, is receiving a facelift. The three-story, 52,879 square foot building, built in 1980, will undergo exterior renovations that are expected to be completed in three months. The building's aging awnings will be replaced and the building will be repainted to match the look of several other recently renovated downtown buildings.
