Upcoming budget meetings

Recently, many of you signed up to receive information about upcoming budget meetings. The Concord City Council will hold a budget workshop on Tuesday evening, May 11 at 6 p.m. in the City Council Chambers at the Civic Center, 1950 Parkside Dr.

At the workshop, the City Council will hear proposals from staff for closing the City's structural budget gap of more than \$12 million. The public is invited to attend.

Two public hearings on the budget are scheduled for Tuesday evenings, June 1 and 22. Both will be held in the City Council Chambers at 6:30 p.m. At the second hearing on June 22, the City Council is expected to approve the budget.

The budget workshop and hearings will be televised live on Concord Cable TV channel 28 (Comcast) and 29 (Astound) and are available on as well as AT&T U-verse (Channel 99) and from the [City's website](#).

Results from the Community Priorities Workshop and Surveys

Earlier this year, the community overwhelmingly supported a series of workshops and two surveys that provided input to the City Council about how residents prioritize City services. More than 1,350 residents participated in surveys, workshops and contributed comments and suggestions by email. This essential input will be considered as the City

Council begins to make decisions about how to close the City's \$12 million budget deficit.
