

Concord BART Area Sanitary Sewer Upgrade Project

The City of Concord will hold a Community Workshop to share the proposed sanitary sewer rehabilitation project in your neighborhood. The sewer project is located on various streets including: Mt. Diablo Street, Prospect Street, Pacific Street, San Jose Avenue, and San Carlos Avenue.

Interested persons are invited to provide comments on the design of the sewer rehabilitation work and other improvements planned as part of the project.

When?

*January 24, 2018
