

Come Join Us For A CERT Continuing Education Class

CERT Emergency Communications-2017 (formerly known as) Family Radio System (FRS)

Concord CERT supplemental training on Family Radio Systems (FRS) is meant to support the disaster response training that participants have already received in the *CERT Basic Training* course. In terms of disaster response, the focus of this module will be preparation for communicating to others in performing CERT response functions.

You Will Learn:

- Operator Responsibilities
- Communication Methodology
- What FRS is, as compared to GMRS
- How to Use FRS Radios
- How to Operate a Team NET
- Neighborhood Deployment
 - ***With a hands-on opportunity!***

Training Dates:

Thursday May 11, 2017 - From 6:30pm – 9:30pm ***(bring a snack for your break!)***

Thursday October 26, 2017 - From 6:30pm – 9:30pm ***(bring a snack for your break!)***
