PARKING SERVICES
(925) 671-3259

PARKING TIPS:

Below are some helpful tips that can help make your visit downtown more pleasurable.

- Use the Parking Garages whenever possible. They are free, provide elevator access, and are covered.
- Do not park back-end first in the Parking Garage. This is a violation of the local municipal code because of the damage caused by vehicles to the garage rail and walls.
- When parking on a time zone space, check the posted signs to see how much time you have before you need to move your vehicle.
- If you have a disabled placard, make sure the placard is displayed in a readily visible location. This eliminates the unnecessary trip to the police department to void the citation.
- Park only in designated spaces. Curbs painted red are there for a reason, safety! Parking on a red curb, no matter how quickly you plan to get out of it, can cause accidents.
- You can be given more than one citation if you stay in one time zone spot longer than the allotted time.

Example: If you stay over 3 hours in a one hour zone, you can get as many as three time zone tickets (\$114.00)

MISSION

The mission of the parking services section of the Concord Police Department is to achieve the following:

1. Provide citizens with ample parking spaces in and around Concord's commercial downtown district, as well as areas of determined to need a frequent turnaround of available parking spaces (i.e.. residential area by the Concord BART Station, Meridian Park chimerical area, etc.) by enforcing the timed parking zones.
2. Encourage citizen compliance of applicable California Vehicle Code sections by citing vehicles in violation.
3. Deter crime by providing extra police presence in the local business area.

- If you would like to appeal your citation, you have 21 days from the issuance date to appeal it. You can appeal online at **www.citationprocessingcenter.com** or you can mail a written appeal to:

P.O. Box 1047
Newport Beach
CA 92658-0479

Please reference the citation number and include copies of handicap placard, handicap placard registration cards or any other applicable documents.
