## **Community Workshop #2**

As part of the City's Outreach Plan for the preparation of the *Downtown Concord Specific Plan*, the Consultant team and City staff will be hosting Community Workshop #2 to share information about progress that has been made, as well as upcoming milestones. The City also wants to know what the community thinks about a draft vision statement and a development plan that puts an emphasis on new housing. Ideas for short, medium and long-term actions to make the vision a reality are also needed. Please encourage everyone you know to participate. **We need to hear from you!**
