HOUSING ELEMENT UPDATE 2014-22

AFFORDABLE HOUSING ROUNDTABLE

**SAVE THE DATE
NOVEMBER 20TH**

The City's Planning Division has just kicked off the preparation of the City's Housing Element Update 2014-22 for Cycle 5. As part of the comprehensive public outreach planned for this project, the City is seeking broad input and public participation. The City is seeking input from the development and real estate community, particularly with respect to market rate housing. The City is interested in obtaining feedback from you, as key stakeholders, regarding future development in Concord. The City also wants to know how you think the City can best achieve a plan that puts an emphasis on new housing during this next planning cycle. Ideas for short, medium and long-term actions to make the vision a reality are needed.

We would like to hear from you!

The City's consultant, BAE Urban Economics will be providing a brief presentation followed by an open, facilitated discussion.
