Draft Vision Statement

A strong vision statement serves as an inspirational guide over the life of the Plan.

Draft Vision Statement

The City of Concord envisions an environment that supports walking, bicycling and active living, and enables people of all ages and abilities to comfortably access jobs, schools, recreation, shopping and transit by foot or on bicycle as a part of daily life.

Setting the Policy Goals

Goals should support the City's vision and describe the most important aspects of priorities and attitudes.

Programs

Safety

Prioritize travel safety for all modes of transportation.

Design

Design active transportation projects that are accessible and comfortable for people of all ages and abilities.

Network

Identify and implement a complete and convenient active transportation network.

Programs

Increase awareness and support of walking and bicycling through education, encouragement, and evaluation programs.

This Week

Franquette Ave. Pedestrian and Bike Trail Connector Neighborhood Workshop

**August 25, 2015, 5:30 PM-7:30 PM
Permit Center Conference Room
1950 Parkside Drive, Concord CA.**

The City of Concord will hold a workshop to share the proposed design for an extension of the Monument Trail from Meadow Lane and Market Street to the tunnel under Hwy 242 and to Franquette Ave. Additionally bike route signage and markings and sidewalk gap closure improvements will extend along Franquette Ave. to Willow Pass Road.

For more information please contact Bernard Enrile, Project Manager, at (925) 671-3031 or bernard.enrile@cityofconcord.org
